Who controls the USA? A simplified guide as Q&A

Q: Who controls the USA?

A: The Deep State, the CIA, but also very powerful lobby groups such as the Israel lobby group AIPAC or arms lobby groups

Q: Whose interests do the CIA, the Deep State and those lobby groups serve?

A: The large defense contractors and other corporations from various sectors and their superordinate financial corporations.

Q: How do the financial corporations control the population and politicians so that they play along?

A: - Narrative control by US government or corporate owned/funded: media, think tanks, various educational institutions, the entertainment industry (soft power) and NGOs

- Non-partisan appointment of puppet politicians promoted in election campaigns with money from lobby groups/corporations.

Q: What about the so-called NeoCons?

A: They form the fanatical, hegemonic, imperial, bipartisan and highly influential group in US politics that infiltrates the deep state and the CIA. The NeoCons are the spearhead for the maintenance and expansion of US hegemony. The USA as an imperial hegemon with its subordinate institutions such as the IMF, the BIS or NATO is the guarantor of the global financial USD system in order to dominate the world power and control the world's resources in lockstep with or for the global corporations.

How to Watch

To watch please click on the video and purchase a ticket. Once you have made your purchase you will be sent an automatic email confirmation with your password details **Important:** Please check your spam folder after your purchase. If you don't receive your password within 10 mins please contact us. We also have a help page.

David DuByne - Embrace the Awakening, Embrace the Cycle: The Water Bearer Returns

We see vast changes are occurring in every aspect of life exactly at the same time across the entire planet. Ask yourself why, and why at this time when vast electromagnetic Earth changes are timed out through October 2024 as the four gas giants form a square in the outer solar system that was last seen in 79 A.D., that our world is radically changing.

The Magical Landscapes of these Sacred Islands Unleashed

The Assembly Rooms, High Street, Glastonbury
Sunday 20th October 2024

Johan Oldenkamp - The Giza Star Clock and the Transition of the Ages

In addition to the three larger pyramids, there were in total also eight smaller pyramids on the Giza plateau in Ancient Egypt. To many, it is clear that the three three larger pyramids refer to Orion's Belt. These three pyramids were built below on the surface of our home planet, just as these three stars are above in the sky ("As Above, So Below"). More info...
